

# 5 THINGS YOU MUST DO AT CALHOUN FALLS STATE PARK

- 1 Enjoy a picnic lunch beside Lake Russell, heat things up on the basketball or tennis courts, then cool off with a refreshing swim.
- 2 Take in one picturesque view after another as you wind your way along our popular scenic nature trail.
- 3 Cozy up for the night under the stars at one of our three campgrounds – all considered among the state's best.
- 4 Catch the big one! Fishing tackle is available through our loaner program, and the fish are always biting!
- 5 Be sure to make a stop at the tackle shop and ask about local attractions and activities. And don't leave without a souvenir!
