

5 THINGS YOU MUST DO AT JONES GAP STATE PARK

- 1 Cool off with a refreshing dip in the cool running waters of the Middle Saluda River. It runs right through the park!
- 2 Hike your way up to one of the scenic waterfalls, including Rainbow Falls and Falls Creek Falls.
- 3 Bring along your binoculars and experience some of the best birdwatching in the entire state!
- 4 Enjoy some of the best mountain trout fishing you'll ever experience in the Middle Saluda River.
A valid SC fishing license is required.
- 5 Bring along a picnic lunch, find a tree-shaded spot along a winding trail and get a real taste of the foothills.
