

5 THINGS YOU MUST DO AT OCONEE STATE PARK

- 1 Grab your partner and do-si-do! Enjoy bluegrass music and square dancing Friday nights from Memorial Day to Labor Day.
- 2 Take a flying leap off the high dive or go for a spin in a pedal boat during the warm summer season.
- 3 Visit in the cool winter months and reel in a trout from our stocked lake. *A valid SC fishing license is required.*
- 4 There's only one state park with a mini-golf course, and this is it. Challenge the family and go home a champ!
- 5 Few trails in South Carolina are as beautiful spring and fall as the Tamassee Knob Trail, so be sure to take a hike!
