

Make Your Own Sweetgrass Basket

May 6th, 2017

Come out to Hampton Plantation State Historic Site to learn a centuries-old practice that goes back to the coasts of West Africa. Every member of the family aided in making sweetgrass baskets, and the skill of this art form was passed on to each new generation. Bring a friend and join Ms. Barbara McCormick as she passes on the tradition to you!

Individual tickets are \$45; however, if you take advantage of our special offer, you will get two tickets for only \$80! Space is limited so please RSVP with your name and the number of people in your party. Bring your own scissors!
