The Eppley Institute for Parks & Public Lands works across the country and has gained a powerful wealth of expertise in recreation, park and land management. We work closely with a diverse network of operationally-integrated partners to develop tools that are comprehensive, innovative, grounded, strategic and effective in addressing the unique issues that face our partners agencies and organizations. Formed in 1993, the Eppley Institute has become the leader in comprehensive assistance for federal, state, local and non-profit park, recreation and public lands organizations in the United States.

Greenville County Rec is among the elite parks and recreation departments in the country, having earned accreditation from the Commission for Accreditation of Park and Recreation Agencies (CAPRA) and the National Recreation and Park Association (NRPA).

Greenville County Rec is the largest provider of leisure activities in the Upstate of South Carolina with more than 50 facilities serving all of Greenville County's 460,000 residents plus thousands of tourists. We served more than 800,000 individuals last year including walkers and cyclists on the GHS Swamp Rabbit Trail, waterpark and dog park guests (human and canine), afterschool and summer camp participants, campers with special needs, Special Olympics athletes, Senior Olympic athletes, champion and recreational swimmers; football, baseball, tennis, ice hockey, lacrosse, soccer and kick-ball teams; curlers, picnickers, and folks just out to PLAY.

Campground and facilities reservations; Day-use entry sales and visitation; Marina rentals and moorage; Golf; Retail management and point-of-sale; Annual passes, permits and gift cards; Field-proven hardware; Extensive reporting with awesome accounting and business intelligence tools — all in a single integrated system that is flexible, responsive and affordable.

Talk to our clients. Enjoy your visit to South Carolina and NASPD 2015. Visit us at [itinio.com](http://itinio.com).

Dedicated to the improvement of sustainable mobility, Michelin designs, manufactures and sells tires for every type of vehicle, including airplanes, automobiles, bicycles, earthmovers, farm equipment, heavy-duty trucks and motorcycles. The company also publishes travel guides, hotel and restaurant guides, maps and road atlases. Headquartered in Greenville, S.C., Michelin North America employs more than 21,500 and operates 20 major manufacturing plants in 16 locations in the U.S., Canada and Mexico. For more information, visit [michelinmedia.com](http://michelinmedia.com).

QCEC is a major manufacturer of fish cleaning stations. Our Barracuda series excels at quietly, efficiently and completely disposing of hard to process fish like catfish, redfish and northerns. We have design services for new or existing installations and provide infrastructure and engineering assistance. WE ARE THE PROBLEM SOLVERS!

In recent years, Greenville, SC has made nearly every top 10 list imaginable. Major accolades regularly roll-in from media like CBS News, *Forbes*, *Travel & Leisure*, *Esquire*, and *Oprah*. Named one of "2015's hottest new vacation destinations" (CBS News); a "Top 10 Downtown in America" (*Forbes*); "America's 2nd Best Town Ever" (*Outside Magazine*); "Top 10 Fastest Growing US Cities" (CNN Money), Greenville's timeless southern charm is blended with big city amenities and an unexpectedly cosmopolitan cool. Destination highlights include: a thriving, energized downtown; designation as the South's next big culinary spot; a staggering collection of natural attractions, and countless – and cool – things-to-do diversions. Greenville, South Carolina isn't just any Greenville, it's *THAT* Greenville!
