

El Dorado Wed.^y mornng.

My dear Harriott

The _____ & _____ with their
_____ associate have done tolerably well as far as
the time gone, but I am a _____ if I conceive why
the 3 _____ & _____ were not sold with the rest, when
the price _____ the proportion it did to that of the 6 p^r cents:
however the delay in receiving the money is your own loss, for
I wonder how otherwise than from these proceeds you are to be
paid for the various articles sent here. But to be especially
explicit "I hereby authorize and empower the copartnership to
sell my _____ & 3 p.^r cents at the rate of 12/ __ 13/ in the _____.
By way of punishing you for your over timidity & action in
the above business (which was the more extraordinary as you
knew I was not an austere man) I enclose you a _____
_____ which is for articles for half the negroes on the plan-
=tation, & so till I see you at Hampton take care of
yourself & your mother Your kids are big enough to take
care of themselves. Adieu

Your truly affectionate Brother

Thomas Pinckney
