## WRIST BAND POLICY & PROCEDURES

Myrtle Beach State Park offers shelter guests the option to prepay park admission by purchasing wrist bands in advance.

The following procedures are required to obtain wrist bands:

### Determine the Number of Guests (one wrist band per guest)

- Adults - \$5.00 per person ages 16 and up
- Children - \$3.00 per person ages 6 to 15 (children 5 and under are free)
- SC Seniors, Disabled, or Active SC National Guard - \$3.25 per person (to qualify for this discount the person must be a South Carolina resident and either: age 65 and older, disabled, or an active member of the SC National Guard. An SC ID is required)

### Payment

- There is a \$15 administrative fee per order. This covers the cost of the wrist bands and postage if they are mailed.
- Payment must be received before the wrist bands are prepared. They can be paid for by cash, credit card, or money order. You can do this in person or over the phone.
- Wrist bands must be ordered and paid for at least 10 days before an event in order for us to prepare them and for you to distribute them to your guests prior to the event.
- If you are paying by money order the wrist bands will not be prepared or mailed out until payment is received.

### Additional Information

- The rental of a picnic shelter is required to purchase wrist bands (groups without a shelter must be approved by park management to purchase wrist bands).
- There is no limit to the number of wrist bands that you can purchase.
- We prefer that you pick up wrist bands in person; however, they can be mailed to you if you cannot pick them up.
- There is no refund for guests that do not show up.
- A different color wrist band will be made for each age group.
- You must distribute all wrist bands prior to your arrival at the park. The band must be worn on the wrist and must be easily visible to the parking fee attendant.
- If a wrist band is lost or torn off you must pay to re-enter the park.
- All guests without wrist bands are required to pay for their admission when they enter the park.
- Rangers are required to check parties if there is a discrepancy.
